

RISK DISCLOSURE

Financial investments in the global markets and trading activities may carry a high level of risk and Tradelly.AI would like you to be aware of that. You may sustain a loss of part or all your invested capital and therefore, do not speculate with capital that you cannot afford to lose. Seek independent advice if necessary.

By registering or taking actions in any financial activity you confirm that you are 18 years old or above and hold the complete documentation of proving your identity as part of the account verification and identification procedure.

We strongly advise that you read our [Terms & Conditions](#). Although the investment risk is fixed for each individual financial action, the trades are live and it is possible to lose your initial investment, particularly if the investor chooses to trade and act on his own, like place his entire investment to a single live trade.

Tradelly.AI urges all active account holders to act with great responsibility and, preferable, with the guidance of our professional team.
